

Doctor of Audiology (Au.D.)

The Doctor of Audiology (Au.D.) is a professional entry-level degree. The Program is a four-year, full-time, residential post-baccalaureate program which includes academic and clinical experiences. The academic and clinical experiences are guided toward the acquisition of critical knowledge and skills in the areas of foundation of practice and prevention, identification, evaluation, diagnosis, and treatment of hearing and balance disorders. The scientific and research foundations of the Audiology profession are emphasized throughout the curriculum, in both, its academic and clinical components. The curriculum also reflects the scientific knowledge, skills, and use of technology that characterizes the current scope of practice in Audiology.

Program of Study

The Program requires the approval of 132 semester credit hours of post-baccalaureate study and a practicum experience which is equivalent to a minimum of 12 months of full-time, supervised clinical experience. The student has a maximum of 7 years to complete the degree requirements after initial registration as a first-year student. Students must attend the Audiology Program on a full-time basis.

Admission Application Procedure

Admission applications must be completed and submitted online through the U.P.R. Admissions Portal at <https://solicitud.upr.edu/> by **February 15th**. Incomplete or unpaid applications will not be considered or evaluated. Official transcripts and exam score should be submitted to the Admissions Office **and** to the Audiology Program by **March 1st**. Questions regarding admissions can be directed to mitzarie.carlo@upr.edu. For questions regarding the admission application itself contact the Central Admissions Office at (787) 758-2525, ext. 5230.

Admission Requirements

1. Possess a Baccalaureate degree or its equivalent from an accredited university.
2. Possess a general and specific grade point average (GPA) of at least 3.00. The specific grade point average refers to the 24 credits which are pre-requisites for admission into the Audiology Program.
3. Official report of score obtained in the *Prueba de Admisión a Estudios de Posgrado* (PAEP). There is no minimum exam score required to apply. Exam must be taken within three years of the application date.
4. Complete an interview with the program's faculty.
5. Knowledge and comprehension of written and spoken English and Spanish (assessed in the faculty interview).
6. Complete 24 credits on the required pre-requisite courses or their equivalent.
 - ✓ By the application due date, the student may only have two pre-requisite courses in progress. Pre-requisite courses taken during the summer of the application year will not be considered. Required courses must be approved with a grade of C or better. Convalidation tables are available on the program's website.

Required Courses	Cr
General Physics	3
Statistics	3
Human development throughout lifespan	3
