

University of Puerto Rico – Medical Sciences Campus  
 School of Health Professions & School of Medicine  
**POST-DOCTORAL MASTER OF SCIENCE IN CLINICAL AND  
 TRANSLATIONAL RESEARCH PROGRAM**

**List of Faculty/Academic Degree/ Rank/ School of Affiliation/Courses**

<b>Name of Faculty</b>	<b>Academic Degree</b>	<b>Rank/ School of Affiliation</b>	<b>Courses</b>
Valerie Wojna	MD	Professor of Neurology; PI NeuroAIDS Program; Editor-in-Chief PRHSJ, School of Medicine, MSC	INCL 6005 - Introduction to Clinical and Translational Research
Enid Garcia	MD	PI/Director, Endowed Health Services Research Center; Director, Office of Clinical and Community Health Research; Assistant Professor of Medicine, School of Medicine, MSC	INCL 6047 - Epidemiology in Clinical and Translational Research
Claudia Amaya	PhD in Biostatistics	Professor of Biostatistics and Epidemiology Department, Graduate School of Public Health, MSC	INCL 6041 & 6042 - Biostatistics in Clinical and Translational Research I and II
Carmen Buxó	DrPH MSc	Associate Professor; Director, Dental and Craniofacial Genomics Core (DCGC); Director, Caribbean Dental Biorepository (CariDen) School of Dental Medicine, MSC	INCL 6056 - Clinical and Translational Research Protocol Development
Ruth Ríos	PhD	Professor & Coordinator Health System Analysis and Management Doctoral Program, Department of Health Services Administration, School of Public Health, MSC	INCL 6006 - Introduction to Health Services Research (Elective)
Abiel Roche	PhD	Assistant Professor; Director, Integrated Informatics Services core IIS-RCMI; Office of Academic Affairs, MSC	IINCL 6017 - Introduction to Biomedical Informatics; INCL 6045 - Introduction to Bioinformatics and Medical Genomics

Lillian Pintado	AuD	Associate Professor, Universidad Ana G. Méndez, Gurabo Campus; MSc Program Graduate	INCL 6025 - Bioethics and Regulatory Issues in Clinical and Translational Research
Carlos Ortiz	MA	Director MSC Online Division; Director OIRE-SoHP; Quality Matters Coordinator-RCM	INCL 6016 - Informatics Application in Clinical Research
Magaly Martinez	PhD	Associate Professor, Department of Pharmaceutical Sciences, School of Pharmacy, MSC	INCL 6075 - Bioanalytical Methods in Clinical and Translational Research
Carmen Zorrilla	MD	Professor, School of Medicine, MSC	INCL 6055 - Clinical Trials in Clinical and Translational Research
Lourdes Soto	EdD	Professor/Director, Acting Dean School of Health Professions, MSC, UPR; PI/Director Hispanic for Research Capability (HiREC-NIMHD S21MD001830) SoHP, MSC	INCL 6008 - Health Disparities: A Translational Research Approach
Jorge Duconge	PhD	Professor, Pharmaceutical Sciences Department, School of Pharmacy, MSC	INCL 6045 - Introduction to Bioinformatics and Medical Genomics
Estela S. Estapé	PhD	Professor and Director, SJBSM Research Center San Juan Bautista School of Medicine; Professor, MSC	INCL 6009 - Scientific Communication in Clinical and Translational Research
Darlene Santiago	PhD	Associate Professor, Pharmaceutical Sciences Department, School of Pharmacy, MSC	INCL 6085 - New Frontiers in Clinical and Translational Research
Karen G. Martinez	MD	Associate Professor, Director, Psychiatry Department, School of Medicine, MSc	INCL 6095 - Research Component
