The University of Puerto Rico Medical Sciences Campus determined that all eligible students who certified their need for Emergency Grants for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and childcare) will receive an equal amount of Emergency Financial Aid Grants under Section 18004(a)(1) of the CARES Act. The estimated amount to be disbursed to eligible students is \$500.00. This includes funds from the second part of the CARES funds. Students were also requested to complete the Free Application for Federal Student Aid (FAFSA).

The University of Puerto Rico Medical Sciences Campus, along with the UPR Central Administration is being currently providing instructions and guidance to its constituents (including students) through electronic mails and a webpage created for this purpose (<https://rcm2.rcm.upr.edu/fondos-cares-act/>). Students were recommended to certify their need for Emergency Grants for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and childcare) through an online survey available through the NEXT Portal, an online platform for managing UPR processes in the areas of Student Service, including Financial Aid, Registrar, Admissions, and Payroll at this web address (https://portal.upr.edu/rcm/portal.php?a=rea_login).
